

NOTE ON GANESH DAS GOVT.M&CH HOSPITAL,SHILLONG.

Introduction:

The Ganesh Das Hospital, Shillong is one of the oldest Hospitals in the State established in 1935 which undertakes care for Gynecological, Maternal and Child Health and provides curative, preventive and promoting healthcare delivery services to the people of the State. It is an integral part of the District Health System which implements various Health policies of the Government. The Government of India through NHM is committed to strengthening this Hospital to a level of IPHS standard.

This Hospital caters not only to the people of Shillong and its adjoining areas but it receives referral cases from different PHCs, CHCs of Khasi, Jaintia Hills and Ri-bhoi District and also from different Central Government organizations/establishment like CRPF, BSF, Military, etc.

The Hospital also has an attached G.N.M Training school with an annual intake of 40 students and Family Welfare Training School with a total number of 60 students per batch.

Bed Capacity and Patients Treated:

At present the official bed strength is 378 beds but the number of extra beds and patient intake goes up to over 400 especially in the summer months. The reason being, admissions of high risk cases which can never be refused admission since most patients are referred from far flung areas or are complicated cases requiring specialized institutional care.
