Landing Page

This screen is an initial landing page for users accessing ongoing admissions on the Meghalaya Medical Services portal. It suggests that currently, there are:

- Ongoing Admissions
- To continue further, the candidate need to login to the portal. If not registered, create an account and register first before login.

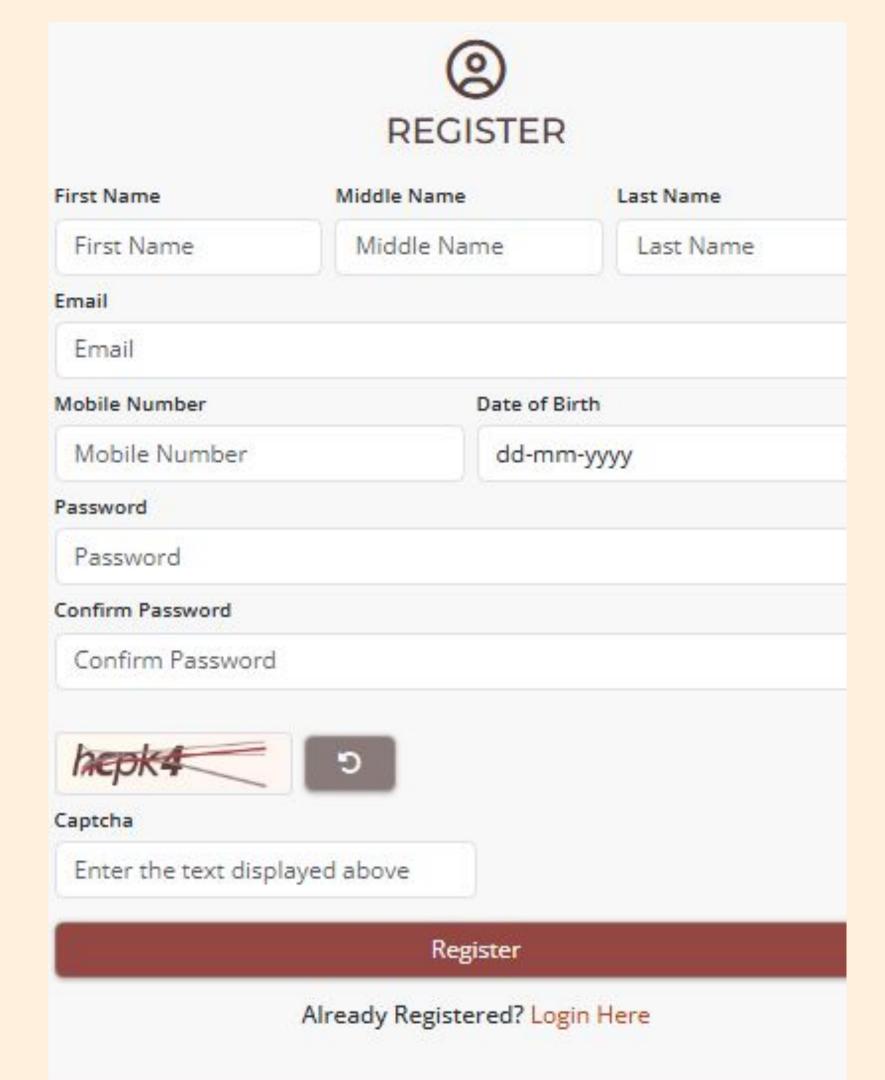

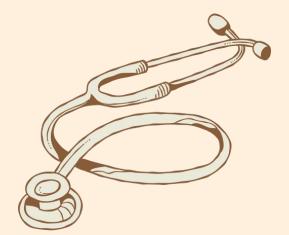

Register the Candidate

 The first step in the application process is to register the candidate by providing essential information to create an account.

THIS INITIATES THE CANDIDATE'S JOURNEY.

 Once registered, the candidate can access the application form and proceed with completing their profile and selecting courses.

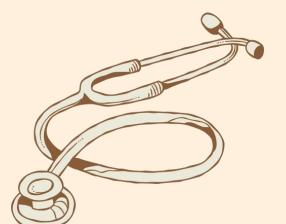

Login Process

- The next step in the application process is to log in to the module using your registered credentials to access the application form.
- A clickable option "Forgot Password" for users who have forgotten their password to initiate the recovery process is provided.
- Only after successful login users can access features like account, courses and profile management.

Home Page

After login candidate can see the home page. There is a link to go to profile where candidate can start filling up the required information. This step involves filling up the candidate's profile with essential details such as basic information, address, and document uploads to proceed with the application.

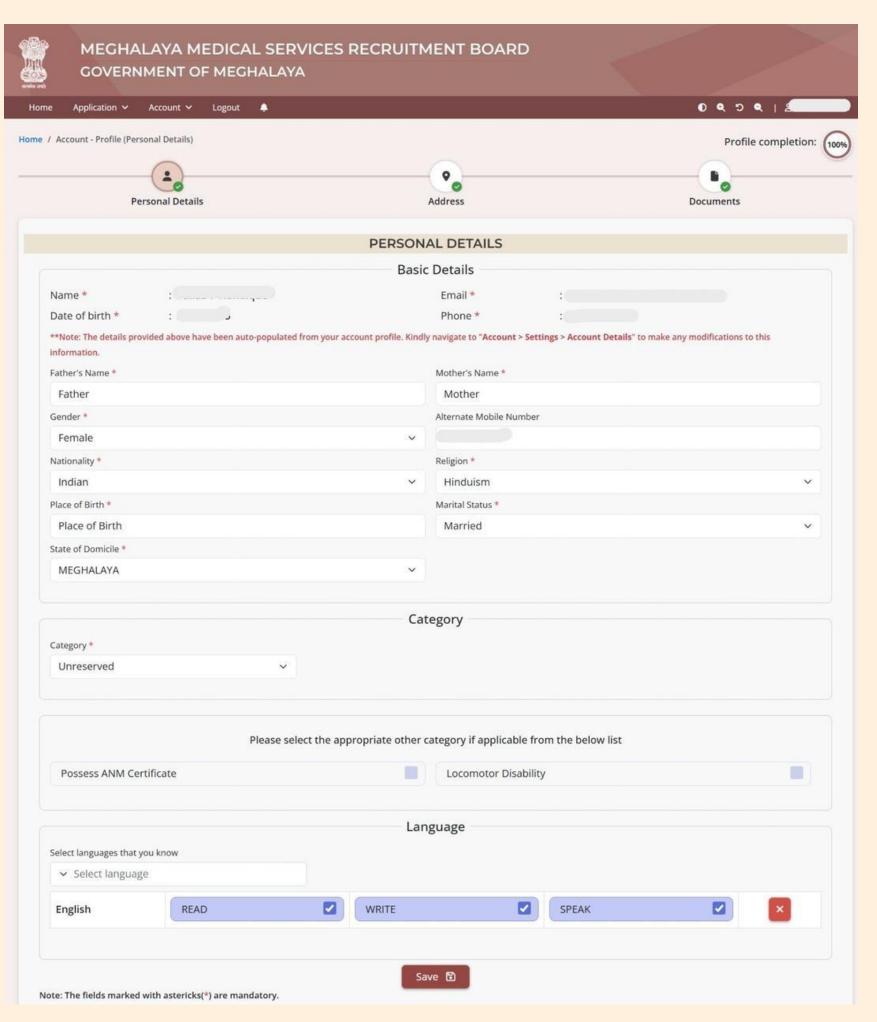

Accurate profile information ensures a smooth application process and helps avoid delays or issues during verification.

Personal Details

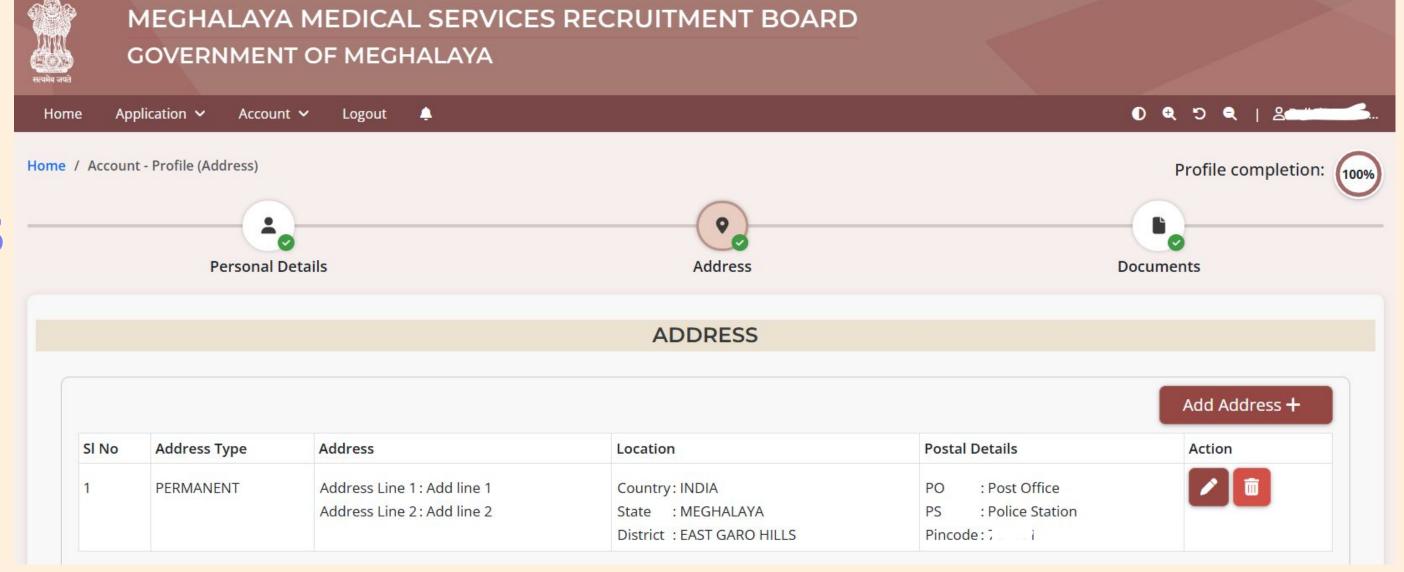

- The screen displays the "Personal Details" section under the Profile tab.
- This section requires the candidate to fill in or review their basic personal information as part of the application process.
- At the bottom, there's a Save button to update and store the filled details.

This section ensures the recruitment board has all essential demographic, contact, and identity-related information about the applicant. It's crucial for eligibility verification and communication throughout the selection process.

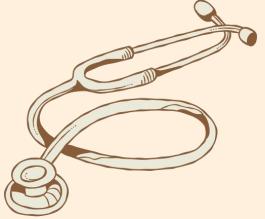

Address Details

- This screen displays the "Address" section under the Profile tab
- "Add Address +" button allows users to input additional address types such as Correspondence Address, if required by the application process.
- This section ensures that the candidate's permanent residential details are properly documented.

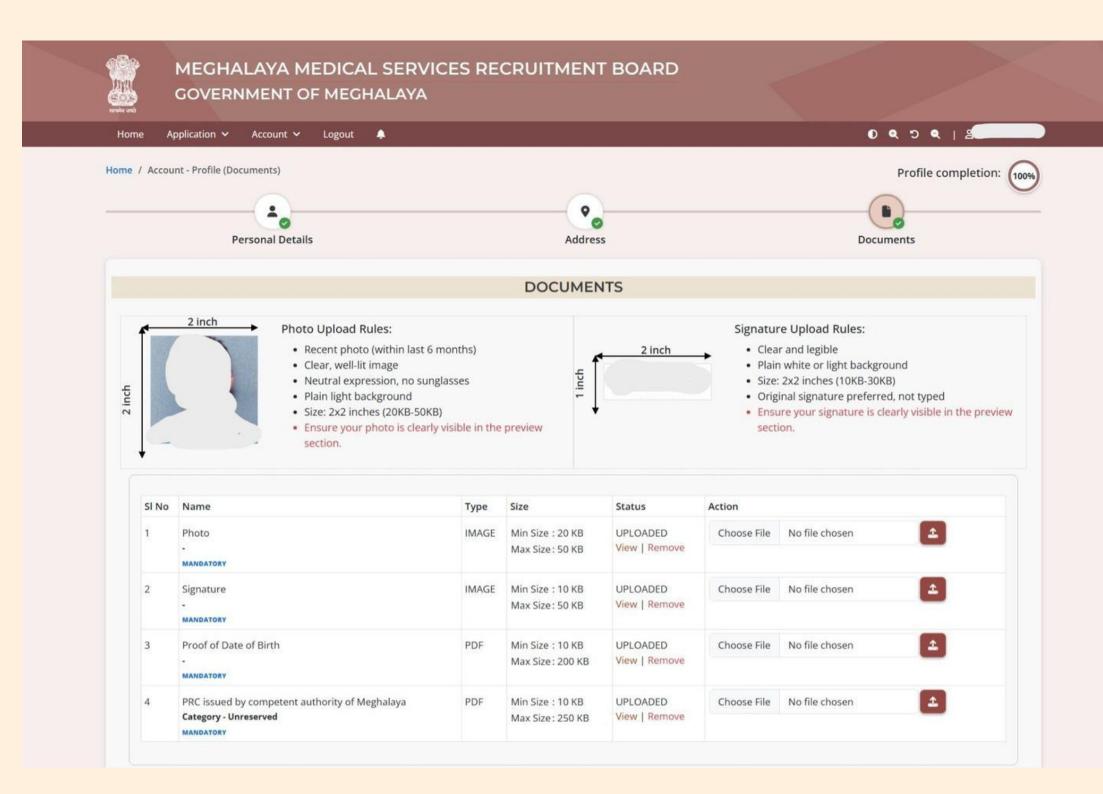

Documents Upload

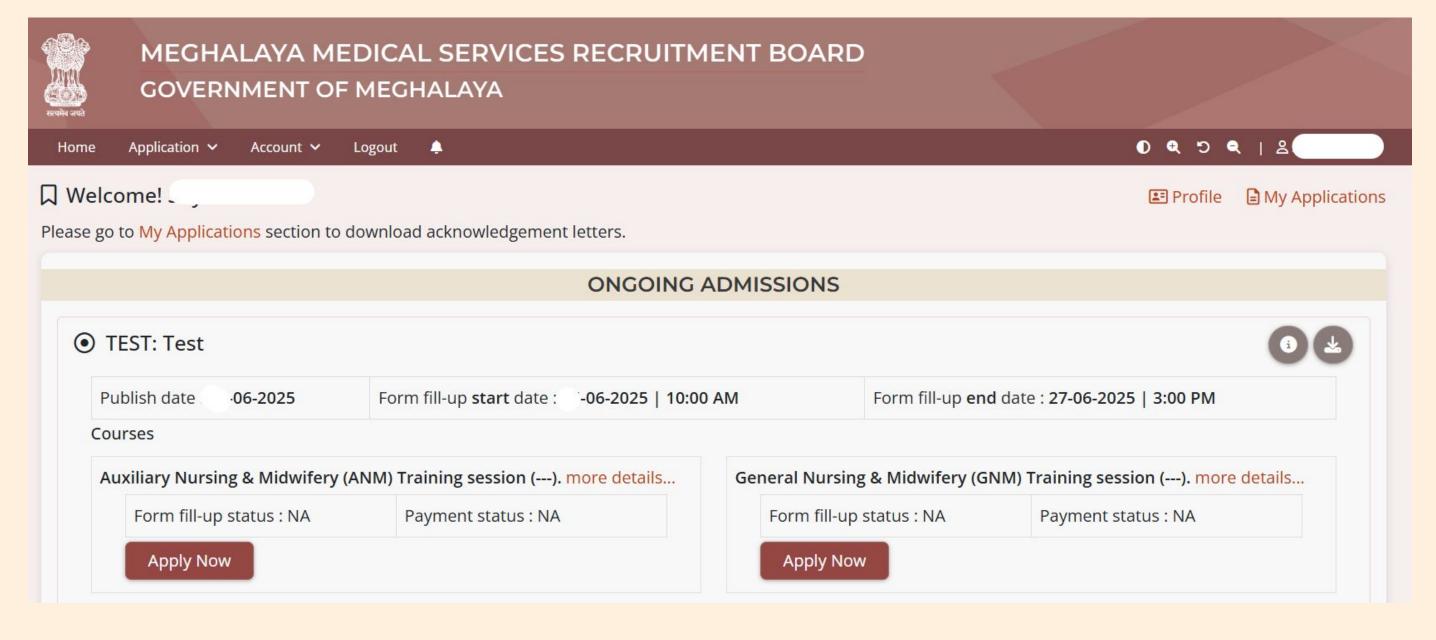

- The screen displays the "**Documents**" section under the Profile tab.
- It is a part of the user's profile where mandatory documents must be uploaded to complete the application process.
- Proper guidelines are provided to upload the documents.

Status Indicator:

• Profile Completion: 100% (shown on top-right) – Indicates that all required personal, address, and document details have been successfully submitted.

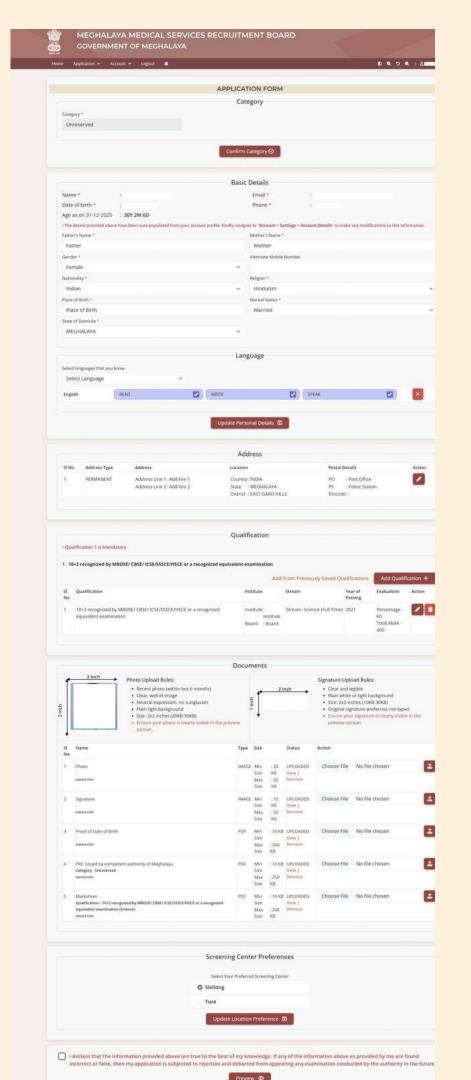

- This screen allows candidates to apply for current training programs under the Meghalaya Medical Services Recruitment Board.
- Info Icon (i) on top right of the course box provides course or cycle-specific guidance
- **Download Icon** provides possibly to download the prospectus or admission notice
- Candidates can apply by selecting their desired course from the available options (Auxiliary Nursing & Midwifery (ANM) Training Session and General Nursing & Midwifery (GNM) Training Session) provided on the screen and click on Apply Now button.

Application Form

- This screen displays the application form for the ANM (Auxiliary Nursing & Midwifery) course under the Meghalaya Medical Services Recruitment Board. The applicant is required to fill out various mandatory sections before submitting the form
- Category, Basic Details, Address and Language details are fetched from the Profile section.
- Qualification 1 is mandatory for proceeding with the application for the course ANM.
- Additional qualifications can be added if applicable.
- Mandatory documents related to the qualifications provided need to be uploaded.
- Upload rules are clearly mentioned (image size, dimensions, background, etc.).
- Options to view or remove uploaded documents are provided.
- Candidates must select their preferred screening center between Shillong and Tura.
- Must click "Update Location Preference" after selection.
- After declaring the checkbox, the final step is to click "**Preview**" to review the application before final submission.

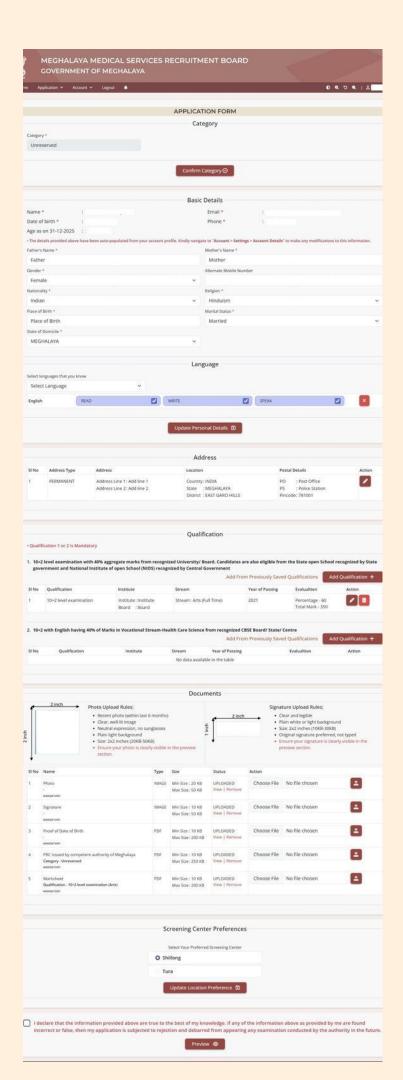

This screen is essential for completing the ANM application, with all sections requiring accurate and complete input. Failure to enter Qualification 1 will restrict submission, as it is marked mandatory.

Application Form

- This screen displays the application form for the GNM (General Nursing & Midwifery Training) course under the Meghalaya Medical Services Recruitment Board. The applicant is required to fill out various mandatory sections before submitting the form
- Category, Basic Details, Address and Language details are fetched from the Profile section.
- Applicants must satisfy at least one of the two educational qualification options provided for applying GNM course.
- Additional qualifications can be added if applicable.
- Mandatory documents related to the qualifications provided need to be uploaded.
- Upload rules are clearly mentioned (image size, dimensions, background, etc.).
- Options to view or remove uploaded documents are provided.
- Candidates must select their preferred screening center between Shillong and Tura.
- Must click "Update Location Preference" after selection.
- After declaring the checkbox, the final step is to click "Preview" to review the application before final submission.

This form is designed to ensure that only candidates meeting the minimum educational criteria (Qualification 1 or 2) are able to proceed.

Application Preview

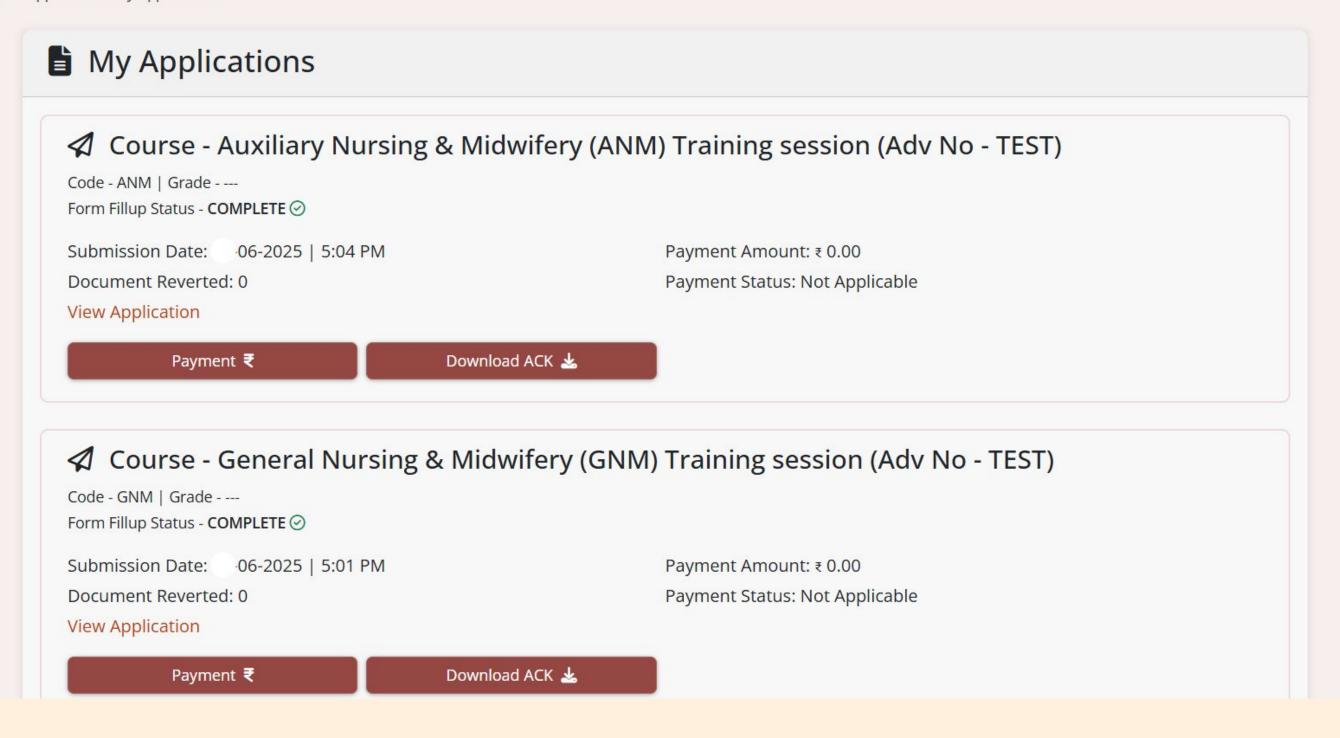

- This screen display the Application Preview Page for the Meghalaya Medical Services Recruitment Board under the Government of Meghalaya.
- It displays the applicants to review their filled-in details before final submission for a recruitment application.
- The application preview section includes Basic Details, Category,
 Address, Language Proficiency, Qualifications, Documents uploaded and
 Screening Center selected by the candidates.
- The candidates can Submit Application by clicking "Submit Application" button or
- Go Back to Edit Application if required.

This preview page ensures that all application data is correct and complete before final submission. The user is given the option to view and verify uploaded documents and edit their application if necessary.

ACK Download

This is the **final step** in which the screen allows candidates to:

- Track the status of their submitted applications.
- View The application that has been submitted.
- Download acknowledgment receipts
- Monitor document reversion status.

Thank You
